Ideas for working with the DVD

The DVD is a motivational tool that may be used in Drug and alcohol education programmes when working with tamariki or rangatahi.

Questions to get a conversation or korero started after watching the DVD:

Do you think that the reasons these 2 rangatahi got into drugs and alcohol are common to youth?

What were the motivating factors that helped the rangatahi to become drug and alcohol free?

The DVD resource is accessible on the Te Rau Matatini website
