

Ideas for working with the DVD

The DVD is a motivational tool that may be used in Drug and alcohol education programmes when working with tamariki or rangatahi.

Questions to get a conversation or korero started after watching the DVD:

Do you think that the reasons these 2 rangatahi got into drugs and alcohol are common to youth?

What were the motivating factors that helped the rangatahi to become drug and alcohol free?

Kia Ora Ai Te Mauri O Te Tangata
